

Possum Magic

by Mem Fox

Grandma Poss makes bush magic. And her best trick of all is making Hush invisible. Now Hush will truly be safe from snakes. But one day Hush wants to become visible again. Grandma Poss looks and looks, but she can't find the right magic. Then she remembers. It's something to do with food! People food--not possum food. So the two set off on what becomes a fascinating culinary tour of the cities of Australia to find the magic that will make Hush visible.

The Five Themes of Geography

Australia
