

## Adjective Review (Disce 19)

(This is an adjective review & concept exercise moving into the “comparisons of adjectives” material from chapter 19.)

Categorize the adjectives from this course so far according to ... (many will fall into more than one category)

- (a) temporary states
- (b) permanent characteristics (of people)
- (c) words that would usually not apply to people
- (d) words that express moral qualities or states
- (e) words that express physical qualities

|                        |                            |
