

## Publications and Abstracts

CUTTING, R. H. and **HALL, J.C.** 2006. Forensic Environmental Science. Ecological Society of America, in Ecology 101, [http://www.esapubs.org/bulletin/current/pdfweb87\\_2/ecol101\\_forensic.pdf](http://www.esapubs.org/bulletin/current/pdfweb87_2/ecol101_forensic.pdf), (March 2006)

**HALL, J.C.** 2004. For the Good of the Community or How I have Fun with Fish!!! UNCW Magazine, Fall/Winter, 2004, p. 10-11.

**HALL, J. C.** 2004. A Closer Look: Dr. Jack Hall. Integrated Science for Middle School. Carolina Academic Press, p. 439.

HANSEN, T. A., KELLEY, P. H. and **HALL, J. C.** 2003. Moonsnail Project: A Scientific Collaboration with Middle School Teachers and Students. Journal of Geoscience Education, 50:1, p. 35-38.

ROSSBACH, T. J. and **HALL, J. C.** 1998. The Upper Devonian (Frasnian-Famennian) Extinction Event in the Catskill Delta of Virginia and West Virginia. Geological Society of America, Field Trip Guidebook, 35p.

BURNETT, R. D. and **HALL, J. C.** 1992. Significance of ultrastructural features in etched conodonts. Journal of Paleontology 66:266-276.

**HALL, J. C.** 1990. Conodontophorida (p. 81-85, pl. 193-200, and references). In Carter, J. G. (ed.). Skeletal Biomineralization: Patterns, Processes and Evolutionary Trends. Volume II: Atlas and Index. 101p. and 200 plates. Van Nostrand Reinhold, NY.

BERGSTROM, S. M., CARNES, J. B., **HALL, J. C.**, KURAPKAT, W., and O'NEILL, B. E. 1988. Biostratigraphy and mutual biostratigraphic relations of Ordovician Stadia and Series Stratotypes in the Appalachians of Tennessee and Virginia. Journal of the Appalachian Basin Industrial Associates 14:91-117.

BERGSTROM, S. M., CARNES, J. B., **HALL, J. C.**, KURAPKAT, W., and O'NEILL, B. E. 1988. Conodont biostratigraphy of some Middle Ordovician Stratotypes in the Southern and Central Appalachians. (p. 20-32). In Landing, E. (ed.). The Canadian Paleontology and Biostratigraphy Seminar. New York State Mus. Bull. 462.

**HALL, J. C.**, BERGSTROM, S. M., and SCHMIDT, M. A. 1987. Biostratigraphy and Facies Relationships in the Middle Ordovician of the Southernmost Appalachians in Alabama. Journal of the Appalachian Basin Industrial Associates 13:181-217.

**HALL, J. C.**, BERGSTROM, S. M., and SCHMIDT, M. A. 1986. Conodont Biostratigraphy of the Middle Ordovician Chickamauga Group and Related Strata of the Alabama Appalachians. (p. 61-80). In Benson, D. J. and Stock, C. W. (eds.). Depositional History of the Middle Ordovician of the Alabama Appalachians. Alabama Geol. Soc., 23<sup>rd</sup> Annual Field Trip Guidebook.

### Accepted for Publication:

CUTTING, R. H. and **HALL, J. C.** 2006. Property Rights as a Key to Environmental Management: Generators versus Receptors, Proceedings of the Conference on Environment held August 3-5, 2006, International Symposium on the Environment, Athens Technical Institute for Research (ATINER), Athens, Greece, August, 2006.

**HALL, J. C.** Geologic Time, the Time Scale and the Rock Record. *In* Beyer, F. (Ed.). Earth and Environmental Science. High School Textbook Carolina Academic Press.

**HALL, J. C.** The Geologic History of North Carolina. *In* Beyer, F. (Ed.). Earth and Environmental Science. High School Textbook, Carolina Academic Press.

**Under Consideration:**

CUTTING, R. H. and **HALL, J. C.** Internships in the Environmental Sciences: Experience for Careers and Grad School. *Journal of Geoscience Education* (Submitted for review)

**HALL, J. C.** Conodont Biostratigraphy of the Ringgold Gap Section, Northwest Georgia. *Southeastern Geology*. (Submitted for review)

**Abstracts and Other Publications:**

KAWCZYNSKI, W. and **HALL, J. C.** 2006. Exciting Earth/Environmental Science Activities and Resources for Grades 6-12. North Carolina Science Teacher Association, 2006 Professional Development Institute, Abstract with Programs, p. 22.

CUTTING, R. H. and **HALL, J. C.** 2006. Internships in the Environmental Sciences: Experience for Careers and Grad School. Geological Society of America, Abstracts with Programs, Vol. 38, no. 7, p. 219.

CUTTING, R. H. and **HALL, J. C.** 2006. Property Rights as a Key Environmental Management: Generators versus Receptors, International Symposium on the Environment, Athens Technical Institute for Research (ATINER), Abstracts with Program. Athens, Greece, August, 2006.
