

Centralina

Council of Governments

Internship Opportunity

The Centralina Council of Governments (CCOG) is looking for an intern with a background and interest in land use, transportation planning and general governance to work in our office located at 1300 Baxter Street, Charlotte, North Carolina. Centralina COG, serves as the lead regional planning agency for the Charlotte Region and is one of seventeen COGs in North Carolina. A total of 74 local governments (9 Counties and 65 municipalities) are represented through Centralina COG.

Job duties will include:

- Collecting member government land planning and governance data
- Coding a GIS database for a regional bicycle plan
- Assisting with meeting coordination and logistics
- Preparing an on-line survey and analyzing results
- Assisting in drafting elements of a bicycle plan

Hours and Compensation:

- Flexible hours averaging 20 hours per week, for six months
- Position reports to Transportation Program Coordinator
- Compensation: up to \$15 per hour based on experience

Interested students are encouraged to send résumés to: Venecia Rock, Centralina's HR Coordinator, at vrock@centralina.org or call 704-372-2416. For additional information on Centralina, go to www.centralina.org.
