

## Math 335 Fall 2004

**Instructor:** Dr. Mark Lammers      lammersm@uncw.edu  
250 Bear Hall 962-3249                  http://people.uncw.edu/lammersm/

**Office Hours:** Check web site.

**Texts:** *Linear Algebra and Its Applications (3rd Edition)* by David C. Lay. Publisher: Pearson Addison Wesley; 3 edition (July 18, 2002) ISBN: 0201709708

**Attendance:** Regular Attendance is required and may affect your grade.

<b>Grading:</b> 3 Tests	300 points
Final Exam	100 points*
Quizzes	100 points
Total	500 points

\* If the score of your final exam is higher than the score of any of your tests I will replace the lowest test score with the score of your final. **Note: This does not allow you to skip a test with out a valid excuse.** This only applies if you take all the tests or have a valid excuse for missing one. Makeup tests will be given in only **very rare occasions**. Any work missed, **for what the instructor has deemed a valid excuse**, will usually be replaced by an average of other similar work. You will be allowed to drop at least two quizzes. **Any missed quiz will be one that you drop.**

Grading will be as follows:

A $\geq$ 90%	B $\geq$ 80%,
C $\geq$ 70%	D $\geq$ 60%,

The instructor reserves the right to lower these percentages (i.e. may lower B to 78% ) and assign plus and minus grades where he feels is appropriate.

<b><u>Tentative Test Dates:</u></b> Test 1	9/16
Test 2	10/14
Test 3	11/11
Final	12/9

Note the date of the final exam. I suggest you not book a flight home this day and ask me to give you a makeup. I will not.

**Homework.** Homework will be assigned on a regular basis but will usually not be collected. However, the majority of the weekly quiz questions and some test problems will come directly from the assigned homework.

**ADA:** If you have special needs as addressed by the Americans with Disabilities Act and need any assistance please notify the instructor immediately.

**Academic Dishonesty: Just say NO.**
