Reminder: Lisa Williams will be taking attendance and reporting to me how the workshops went. Be sure to ask questions, actively participate and do the things that will make the department proud!

I will be asking you some touch pad questions about the workshop in a later class session.

Be sure of where you will be **each** day for these activities so you are not late or unprepared.

- When you are to be in class be sure to check the schedule for what is due! There will be response pad quiz questions, etc. just as with other classes.
