"The learning experience was great, but the life experience was irreplaceable." I always will remember that trip for how fun it was, and how much I grew as a person and a Spanish speaker"

-Trevor Snell

" I have traveled to many Spanish speaking countries throughout the past five years, but Spain was by far one of my favorites. I spent just over a month in this wonderful country and was able to visit Madrid, Malaga and also Granada. My trip to Spain changed my whole outlook on the Spanish language and is one of the main reasons why I continue to study it to this very day. I am planning on returning to Spain in the fall to visit a few friends and I am super excited! I would recommend anyone who likes to speak Spanish, travel, or just likes new experiences to go to Spain because you won't be disappointed".
