

Educational Technology

What is in place?

- Early Grades – Success maker
- Nova Net
- NCVPS
- UNCG Early High School
- Learn Earn – Southeastern Community College
- Loaded NovaNet on home laptop
- After School Tutorials

What is needed?

- Ways to have teacher – many of these things are self directed – self motivated
- Mirror use of technology devices they like to use all the time. If they had iPhones, that could be used for credit.
- Consistency with teachers. If students need more access to technology at home.
- Students may not have laptops but they often have cell phones.
- Apps for cell phones that increase engagement.
- Resource for teachers of available things for iPhone and mobile phones

How can join together?
