

## ANNUAL ABC SCORES

Through the ABCs of Public Education, end-of-grade tests measure student achievement in reading and math for grades 3-8. High school students take end-of-course tests in eight subjects. The following chart shows the percentage of students at or above grade level and whether each school met federal standards.

- **Honor Schools of Excellence** - 90 percent or more of students at grade level and made adequate yearly progress. Met or exceeded growth.
- ★ **Schools of Excellence** - 90 percent or more of students at grade level or proficiency. Met or exceeded growth.
- ⊕ **Schools of Distinction** - 80 percent or more of students at grade level. Met or exceeded growth.
- **Schools of Progress** - 60 percent or more of students at grade level. Met or exceeded growth.
- **Priority Schools** - 50 percent or more of students at grade level.
- **Low Performing** - Fewer than 50 percent of students at grade level.
