

WORLD HISTORY PROJECT-2ND NINE WEEKS

1. Generate a news publication(newspaper, magazine, news broadcast, booklet...) describing the significant political, economic, religious, social, intellectual, and artistic events(PERSIA) and trends in the World that impacted the development of the United States for one particular decade in the nineteenth or twentieth centuries. The publication should also contain an editorial which addresses the "State of the Union" at the end of your particular decade.
2. In addition, you will need to do a timeline of events for the second semester based on the attached list. Some of these events and time periods may overlap.
3. Your decade will be assigned by your teacher and is none negotiable.
4. Requirements for project:
 - a. At least one major event or trend for each of the PERSIA categories.
 - b. Thorough explanation of event/trend, its significance, and its impact on the development of the United States.
 - c. A description of the most influential people in the world during your decade(At least 3). The people have to have been influential during your decade, not simply have been alive during that decade. These people **cannot** be used as your major event or trend.
 - d. At least one illustration for each of the major events or trends and the three most influential people.
 - e. Completed timeline.
