

HST 570 Research Presentation Assignment (10)

The Assignment: Present your research in a public conference format. On December 6, 3:30-6:15pm, we will host a conference on the history of Tidal Creek Food Co-operative. This conference will open to anyone.

Requirements: Your presentation must be between 15-17 minutes long and include a clear thesis statement, major findings, and concrete examples. You may use visuals but they are not required. If you would like to use powerpoint, e-mail the file to yourself for download to classroom computer. Make sure it works *the day before* your presentation.

Presentation Grading Rubric

(4) Clarity (thesis statement, major findings clearly organized and focused) _____

(2) Evidence (concrete examples clearly connected to the thesis statement) _____

(2) Audience Engagement (listeners accurately summed up the thesis statement and major findings, presentation effectively provoked discussion) _____

(2) Tone (eye contact with listeners, effective use of voice, professional demeanor) _____

TOTAL _____/10
