

## **HST 572 Museum Program Journal (5 points)**

Using web sites, promotional materials, and communications with museum educators, provide the following information for each non-exhibit program:

The name of the program

The name of the institution offering the program

The duration of the program

The number of years or months the program has been offered

A brief description of the program and its content

A description of the intended users

The intended outcomes of the program

The challenges educators face when developing and/or implementing the program

At least one of the program journal entries must be a class field trip that you attend. No more than two students can attend the same field trip on the same day. For this entry, provide this additional information:

The number of children attending

The number of adults attending (teachers and chaperones)

The name of the school

The grade level of the students

The date of the field trip

Be sure to cite any communications with museum professionals. You may include photos or other visuals and ephemera related to programs.
