CONFERENCE PRESENTATIONS

2. “Dynamics and Numerical Simulations in a Three-species Food-chain Model” (with Wei Feng), Mississippi State Annual Conference on Differential Equations and Computational Simulations, March 19, 1993, Mississippi State University

4. “Periodic Solution and Oscillation in a Competition Model with Diffusion and Delay Effects” (with Wei Feng), Annual Meeting of Southeastern-Atlantic Section of SIAM, March 25, 1994, Wake Forest University

5. “Numerical Solutions for reaction Diffusive System with Time Delays”, The 2nd Mississippi State Conference on Differential Equations and Computational Simulations, April 7, 1995, Mississippi State University

15. Chair of the Organizing Committee, Forth International Conference on Dynamical Systems and Differential Equations, May 24-27, Wilmington, NC
