

Latin 101

ante diem septimum decimum Kalendas Novembres

Agenda

Nisus Euryalusque

Nunc veniunt Nisus Euryalusque in castra Rutulōrum. Occīdunt ūnum, tum multōs aliōs.

Euryalus ornamenta ūnīus, galeam alterīus, rapit. Cum hāc praedā fugiunt. Sed Volcēns, dūx Rutulōrum, illōs Trōiānōs videt et aliōs Rutulōs vocat. Splendor istīus galeae illōs ad Euryalum dūcit. Nisus hunc in perīculō videt et audet amīcum servāre. Occīdit Volcentem, sed iste anteā Euryalum occīdit. Tum alīi Nisum superant; hic super corpus Euryalī cadit. Hanc fābulam tōtam Virgilius scribet et hīs Trōiānīs fāmam perpetuam dabit.

Set A

| | |
|-------------|-----------------------------|
| 1. nullus | A. of the diseases |
