PART V: Translation (36%)

Once again, we commemorate the monumental April 2 release of *Clash of the Titans* with a scene from the *real* story of the hero/demigod Perseus. Having been given the impossible task of bringing back Medusa's extremely dangerous head by the king of Seriphos (who hoped he would be killed in the process), Perseus gets divine help in fulfilling the task. **Note:** Perseus's speech runs from #3-#4.
