

Latin 102
Adjective agreement homework due 2/3/2012

For each of the following sentences, put the correct form of the third declension adjective into the blank. (Note 1: first, second, and third declension **nouns** are mixed in no particular order. All adjectives are 3rd declension from chapter 16. Note 2: be aware of Latin idioms, and look at the case of the noun in the Latin to determine the case of the adjective!)
