**Homework Due 2/1/12**

Phaethon est filius Phoebī. Amīcus Phaethontis dē fama dīvīnae originis dubitat: “Nōn es filius deī. Nōn habēs dona deōrum. Nōn vēra est tua fābula.” Magna īra Phaethontem movet: “Fīlius deī sum! Phoebe, da signum!” vocat Phaethon. Phoebus puerum spectat et sine morā volat dē caelō. “O mī filī, quid desīderās?” Phoebus rogat. “Pecūniam? Sapientiam? Vitam sine cūrīs?” Respondet Phaethon, “Habenās habēre et currum sōlis agere desīderō.”
