Makeup tests will be given in only **very rare occasions**. Any work missed, **for what the instructor has deemed a valid excuse**, will usually be replaced by an average of other similar work.

\* If the score of your final exam is higher than the score of any of your tests I will replace the lowest test score with an average of that score and your final. This only applies if you taken all the tests or have a valid excuse for missing one.

You will be allowed to drop at least two quizzes and some of the quizzes may be takehome. **Any missed quiz will be one that you drop.**

Grading will be as follows:

A $\geq$ 90%	B $\geq$ 80%,
C $\geq$ 70%	D $\geq$ 60%,

The instructor reserves the right to lower these percentages but will never raise them. (i.e. may lower B to 78% never raise it to 82%).
