\* If the score of your final exam is higher than the score of any of your tests I will replace the lowest test score the score on your final. This only applies if you take all the tests or have a approved excuse for missing one.

Makeup tests will be given only in **very rare occasions**. Any work missed, will usually be replaced by an average of other similar work. You will be allowed to drop at least one quiz. **Any missed quiz will be one that you drop.**

Grading will be as follows:

|              |               |
|--------------|---------------|
| A $\geq$ 90% | B $\geq$ 80%, |
| C $\geq$ 70% | D $\geq$ 60%, |

The instructor reserves the right to lower these percentages (i.e. may lower B to 78% ) and assign plus and minus grades where he feels is appropriate.

**Important dates** Final exam April 30. Last day to drop W- Feb 23

**Homework.** Homework will be assigned on a regular basis but will usually not be collected. However, the majority of the weekly quiz questions and several test problems will come directly from the assigned homework.

**ADA:** If you have a disability and need reasonable accommodation in this course, you should inform the instructor of this fact in writing within the first week of class or as soon as possible. If you have not already done so, you must register with the Office of Disability Services in Westside Hall (ext. 3746) and obtain a copy of your Accommodations Letter. You should then meet with your instructor to make mutually agreeable arrangements based on the recommendations of the Accommodations Letter.

**Academic Dishonesty: Just say NO.**
