

Math 418-518

Instructor: Dr. Mark Lammers lammersm@uncw.edu
250 Bear Hall <http://people.uncw.edu/lammersm/>

Office Hours: MWR 9-10

Text: *Partial Differential Equations with Fourier Series and Boundary value Problems*, second edition, Asmar

Attendance: Regular Attendance is expected and may affect your grade.

Grading: 2 Tests	200 points
Final Exam	100 points
Homework	100 points
Total	400 points

$$\begin{array}{ll} A \geq 90\% & B \geq 80\%, \\ C \geq 70\% & D \geq 60\% \end{array}$$

The instructor reserves the right to change these percentages in the students favor and assign pluses and minuses as he deems appropriate. In addition, the graduates and undergraduates will be held to different standards and those enrolled in the graduate section will be assigned additional questions on the homework assignments.

Homework: Some homework from the book will be assigned but will not be collected. The homework I will grade will be on a written sheet and handed out in class.

ADA: If you have a disability and need reasonable accommodation in this course, you should inform the instructor of this fact in writing within the first week of class or as soon as possible. If you have not already done so, you must register with the Office of Disability Services in Westside Hall (ext. 3746) and obtain a copy of your Accommodations Letter. You should then meet with your instructor to make mutually agreeable arrangements based on the recommendations of the Accommodations Letter.

Web Site: Homework assignments and review sheets will be available at the web-site listed above.
