

**More chalk drawings from Julian Beever.
Incredible!!!!**

Julian Beever is an English artist who's famous for his art on the pavement of England , France , Germany , USA , Australia and Belgium Beever gives to his drawings an amazing 3D illusion.

**Don't miss seeing
Julian Beever on the Top of the Bottle**

Do you notice everything is fake??? even the hose and water?

**Look Closely,
you can see the Bricks through the Chalk on the Monitor
Screen**

**There is no
hole in this pavement???**

People are actually avoiding walking in the "hole"

Which is the real guy & which beer is real?

Girl in Swimming Pool (Remember, both his feet in reality are flat on the pavement)

Girl in Swimming Pool seen in Reverse from Opposite Side of Drawing

Politicians Meeting Their End

World's

Biggest Fly-Spray

This drawing of a *Rescue* was to be viewed using an inverting mirror
